How to purchase an event ticket/pass?

1. Go to the link embedded in the school's website to purchase tickets or go to <https://secure.payk12.com/> and search for your appropriate school.
2. Once in the school's Storefront, select "**Passes & Season Passes**" or "**Events**" (only if it's a single school event) in the upper left. You will see the passes or events available. There is a complete description of each ticket when you select "**View** or **Choose Seats**".
3. For a season pass, please click "**View**", and after filling out the registration, select "**Continue**" and "**Add Tickets To Cart**". For single game events, add the ticket(s) to the cart and proceed to check out.
4. Choose "**Checkout Now**" ... (twice)
5. Enter your "**Payment Method**" and then select "**Checkout Now**" one last time...
6. Follow the prompts from there.
7. Two emails will be sent to you: one containing access to your pass/ticket and one to activate your account in PayK12.

Step 4:

Redeem tickets with a button click ×

Digital tickets will show a "Mark as Redeemed" button. The attendee must present their digital ticket at the event for admittance. At the event, an event staff member will click the button on each attendee's ticket to admit them. The attendees receives their digital ticket via email after purchasing a ticket online.

These tickets will not contain a barcode.
