

Each year the District will provide public notice to students and their parents of its intent to make available, upon request, certain information known as “directory information”. The Board designates as student “directory information”, a student’s name, address, telephone number, date and place of birth, photograph, major field of study, participation in officially-recognized activities and sports, height and weight, if a member of an athletic team, dates of attendance, date of graduation, awards received, honor rolls, scholarships, telephone numbers only for inclusion in school or PTO directories and any other information the District considers would not be harmful or an invasion of privacy, if disclosed.

The District will make the above information available upon a legitimate request unless a parent, guardian, or adult student notifies the Principal in writing and/or via electronic file forms (OneView/Final Forms) by September 15 that s/he will not permit distribution of any or all of such information.
